Effective Date: June 06, 2008

Approved By: Board of Directors

Policy: Salary blocks are calculated according to student equivalency, as documented on the Work Agreement Fulfillment Blocks chart (appendix A). Teachers who wish to carry a work-load of up to 45 student equivalencies (125% full-time equivalency, including students, learning center classes, etc.) must receive written approval from the Executive Director.

Teachers who work full time for another school district may have a maximum of 18 student equivalencies. A student equivalency of 45 is the maximum equivalency allowed.
