21-22 LCAP Goal #3 is a focus goal to "Increase the % of students who meet a-g requirements and the % of students completing college credit courses over the next two years to better prepare students for college and career pathways." This plan supports actions steps 1 and 2 to increase A-G access, courses, and foreign language. The LCAP goals budgeted for part of the cost to employ a highly-qualified Spanish teacher. These funds will be used to pay for the rest of the cost of the employee, and additional curriculum, in order to fund adding access to Spanish II.
