HOW STUDENTS LOG-IN

Student go to: raz-kids.com/login

They will type in their teacher's username. They will use their password you assigned them.

You don't need to do any of this the teacher will but here is more information for you to have if you ever are asked. I never was.

All the students you added will be listed. Have student click on the icon next to their name.

Students will click on their reading assignments and choose a book.

It's best to have them listen first, then read, then answer the comprehension questions.

They earn points that appear at the top right of the page.

Their voice can be recording reading the book/passage and played back.

Raz Kids can also be accessed on iPads/tablets/phones by downloading the free app

HOW TO ASSIGN A RAZ KIDS ASSESSMENT

Click **Manage Students** Tab (top right)

Click **Assignments** link

Click **Assign an Assessment** (orange button)

Select the student and the book/passage you want them to read. Then hit **Assign Assessment**

When the student signs into Raz Kids and clicks on their name, it will show the assignment. From there they can watch an instructional video which shows them how to record themselves reading, retell the story, take a comprehension quiz and send it to their teacher.

The assessment will automatically show up in the teacher's basket. From there you can score wpm and see the results.
