

Julian Charter School (JCS-LIVE)
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

JCS-LIVE is the latest venture in the JCS family of schools. JCS-LIVE (Lifelong Independent Virtual Education) was established in the 2019 – 2020 school year as a fully online program. JCS-LIVE is sponsored by the Julian Union School District. Unlike the other family of schools, JCS-LIVE does not have a campus or academy classes. Students work with their teachers through an online platform and participate in activities online. During the pilot year, JCS-LIVE served students in grades 6-12, integrating the vetted online curriculum to include a Career and Technical (CTE) focus. Now in its second year, JCS-LIVE serves students in grades TK-12. The mission of JCS LIVE is to provide an alternative classroom setting tailored for students who desire a synchronous, online, personalized environment focused on Career and Technical Education.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

Students may participate in a state-approved Work Experience Education program (WEE) where students gain skills and knowledge in job-related topics while being employed. Students have a variety of elective courses they may take that are focused on career preparation and interests they have expressed. Students take CTE pathways courses through Edgenuity. We are in the process of adopting the full CTE pathways.

Opportunities for Parental Involvement (School Year 2020-2021)

JCS-LIVE parents are actively involved in the school program. Examples of involvement include participation in the daily support and monitoring of their children, opportunities to serve on the School Advisory Council or Board, accompanying students on field trips, weekly meetings with an educational mentor, and geographically situated meetings or events throughout the year. In addition, parents are invited to participate in professional development programs, workshops and support groups offered by the school. Communication mechanisms include meetings with facilitators; site newsletters; event and opportunity flyers; blogs; parent surveys; e-mail; Zoom; Canvas; ParentSquare; and the JCS-Inc. web site.

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Our School Safety Plan was most recently approved February 2020. Our Safety Planning Committee meets yearly to review the plan and progress towards the goals/actions. Our main focus is on student and staff well-being and safety. Our three major actions are: 1. Provide online training to staff on awareness on key wellness topics such as Bullying (Recognition and Response), Youth Suicide, Online Safety (predators), Boundary Invasion, Mandated Reporter: Child Abuse and Neglect; and Human Trafficking Awareness; 2. Provide social-emotional training on bullying, harassment, and suicide prevention for students; and 3. Assemble a Safety Team to meet quarterly.

JCS-LIVE hosts professional development days throughout the school year, approximately every eight weeks. Teachers also have a Professional Development week at the beginning of semester 2 during which all students have a Project Week. For 2020-2021 our teachers are have participated in training to become online certified teachers. Other trainings include virtual software training, and math and ELA training for intervention. Teachers new to the profession and new to independent study receive support through mentoring opportunities. Additionally teachers are encouraged to attend outside conferences and workshops, particularly those that focus on writing, math, personalized learning and those that foster leadership. Parents are invited to attend professional development day trainings and events and parent-specific core subject area workshops provide additional opportunities for professional development.
