

## A-G Completion Improvement Grant Plan

Local Educational Agency (LEA) Name	Total Grant Allocation
JCS-Manzanita	\$10,897

### Plan Descriptions

A description of how the funds will be used to increase or improve services for foster youth, low-income students, and English learners to improve A-G eligibility

Funds will be used to support students in all levels of math so that they can access higher level math classes through Math III. Funds will also be used to provide support to students who take a dual enrollment class through the local community college.

A description of the extent to which all students, including foster youth, low-income students, and English learners, will have access to A-G courses approved by the University of California.

All students are encouraged to enroll in A-G courses in order to meet expectations for College and Career Readiness. Tutoring, free meals, personal technology (Chromebooks), school and home internet access, and language support are available to support all students.

The number of students who were identified for opportunities to retake A-G approved courses in which they received a "D", "F", or "Fail" grade in the 2020 spring semester or the 2020-21 school year and a description of the method used to offer the opportunity retake courses.

Number of Students: 9

Students attended Summer School to retake or finish classes that they received a "D", "F" or "Incomplete" grade in the 2020-21 school year.

A description of how the plan and described services, and associated expenditures, if applicable, supplement services in the Local Control and Accountability Plan and Learning Recovery Plan.

21-22 LCAP Goal # 4 is a focus goal to "Increase the % of students who meet a-g requirements and/or complete college credit courses over the next two years to better prepare students for college and career pathways." Action item 4.3 describes "Providing student support systems and collaboration through the coursework" of students who take dual enrollment courses through the local community college.

### Plan Expenditures

Programs and services to increase or improve A-G completion	Planned Expenditures
Math tutoring	\$8,397
Community College Support	\$2,500
