

5016.1 Acceptable Use Policy

Effective Date: February 10, 2023

Approved by: Board of Directors

Policy:

JCS, Inc. (JCS) will provide staff, students, and parents with information about the privileges and responsibilities of using the Internet and school computer networks and technology resources. In accordance with our responsibilities, the Children's Internet Protection Act and other regulations and guidelines regarding the use of School computer systems either at school or away from school, JCS has adopted an Acceptable Use Agreement that is required to be read and signed by each student enrolled in Julian Charter School and his/her parent/guardian as part of the registration/enrollment process. The Acceptable Use Agreement becomes a legally binding agreement when signed.

This policy is not intended to supersede or replace other JCS technology and technology use policies currently in use or to prohibit additional policies from being implemented.

This Acceptable Use Policy is intended to augment and work in conjunction with present and/or future policies that may be instituted.
