

JCS-Pine Valley
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

JCS-Pine Valley Academy 6-12 is a unique program in the community of Pine Valley, California. The academy campus is spread out among the small town. Pine Valley Academy has both middle school and high school programs with students coming to school a minimum of two days and a maximum of four days per week based upon classes. All classes are taught by credentialed teachers lifting some of the responsibility of independent study. Pine Valley Academy's emphasis is cultivating character in order to prepare students to become global citizens. Students are involved in community service, field trips, and hands-on learning activities. PVA has a schoolyard habitat program that has been certified as a wildlife habitat. Students recycle community refuse with their worm project, as well as collect and recycle glass, aluminum, and paper. Pine Valley Academy is known for being a caring environment where students of all levels can excel.

Parents who wish to play a significant role in their student's education may choose the home study program. JCS Pine Valley TK-12 Home Study provides the most flexibility for students and parents, but also requires the greatest responsibility and self-direction. Students work primarily at home under the guidance of their parents to learn content and complete assignments created by credentialed teachers. Varied standards based curriculum choices including online and teacher led options are offered. Students have monthly meetings with their teachers to turn in work, and receive new assignments. Support and tutoring along with access to classes, field trips, events, and activities are all available at varying levels based on the interest and the needs of our home study families.

JCS - Pine Valley's vision is to work in partnership with families to ensure all learners develop the necessary skills to become contributing members of our local and global communities. We are dedicated to nurturing passionate lifelong learners.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: January 2020

High quality instructional materials and curricula are available for all students at all grade levels. Materials are updated and replaced, as needed. Standards-aligned textbooks and other instructional materials are stocked in the Resource Center and, as needed, available through special order. The K-8 program has extensive flexibility to work with instructional materials that optimize learning and teaching for the student and family, while the high school program has recommended, and in some cases required, materials for core and elective coursework. In science, appropriate standards aligned take-home science kits and site-based labs are available for all students not taking the science course in a classroom. The school does not strictly adhere to the state's textbook adoption cycle.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Standards-aligned texts available for all students.	Yes	0
Mathematics	Standards-aligned texts available for all students.	Yes	0

School Facility Conditions and Planned Improvements

JCS-Pine Valley has three facilities in Pine Valley. All facilities are in good repair and are clean and safe for students and staff.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: January 2021

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	25	N/A	21	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

Students may participate in a state-approved Work Experience Education program (WEE) where students gain skills and knowledge in job-related topics while being employed. Students have a variety of elective courses they may take that are focused on career preparation and interests they have expressed. We have developed informal relationships with various community colleges and work programs based on student populations' particular interests and needs. Students take CTE pathways courses through Edgenuity. We have begun to identify our pathways for CTE and working towards implementing the first full pathway.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2019-2020)

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Because JCS-Pine Valley is an independent study program, parental involvement is welcome and very much needed. For academy students, parents are welcome to see their students' work through the Parent Portal and be a part of Project Week. We have multiple field trips (except during COVID-19) throughout the year which parents can participate in. Parents are an integral part of our School Site Council which hold regularly scheduled meetings that can be found on our website. We also have additional activities throughout the year for parents, such as PSAT and PSAT8 trainings, Canvas trainings, College and Career Night, CHYA informational meetings, and other informational meetings as needed. Other examples of involvement include participation in the daily/weekly teaching of their children, opportunities to serve on the Board, monthly meetings with an educational facilitator. In addition, parents are invited to participate in professional development programs, workshops and support groups offered by the school. Communication mechanisms include meetings with facilitators; site newsletters; event and opportunity flyers; parent surveys; e-mail; Zoom; Canvas; ParentSquare and the JCS-Inc web site.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19
Dropout Rate									
Graduation Rate					56.8	67		83	84.5

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	-	0.0	2.4	1.3	3.5	3.5
Expulsions	-	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	1.4	2.5
Expulsions	0.0		

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Our School Safety Plan was most recently approved February 2020. Our Safety Planning Committee meets quarterly to review the plan and progress towards the goals/actions. Our main focus is on student and staff well-being and safety. Our three major actions are: 1. Provide online training to staff on awareness on key wellness topics such as Bullying (Recognition and Response), Youth Suicide, Online Safety (predators), Boundary Invasion, Mandated Reporter: Child Abuse and Neglect; and Human Trafficking Awareness; 2. Provide social-emotional training on bullying, harassment, and suicide prevention for students; and 3. Initiate increased safety procedures and prevention.

JCS-Pine Valley hosts professional development days throughout the school year, approximately every eight weeks. Teachers also have a Professional Development week at the beginning of semester 2 during which all students have a Project Week. For 2020-21 primary professional development has been in the area of Tier II intervention, distance learning via Zoom instruction, social emotional learning for staff and use with students, cultural awareness, diversity, and inclusion, and Learning Explorer. Staff forums focus primarily on school policy, student achievement, curriculum, teaching and learning strategies, technology support and training, and self-selected professional learning communities. Teachers new to the profession and new to independent study receive support through mentoring opportunities. Additionally, teachers are encouraged to attend outside conferences and workshops, particularly those that focus on writing, math, personalized learning and those that foster leadership. Classified staff participated in Youth Mental Health First Aid training. Parents are invited to attend professional development day trainings and events and parent-specific core subject area workshops provide additional opportunities for professional development.
