

Renaissance Place Teacher Instructions

Renaissance Place should be given to all students at JCS grades 2-9 but can be given at any grade level, including kindergarten. It is recommended to be given in early fall and late spring.

Your Account

1. To have an account created contact onlineresources@juliancharterschool.org.
2. Once your account has been created you'll receive an email from the Online Resources Clerk. Your username and password will be the same as it is for your JCS email account.
3. You will have a Class created for you in Renaissance Place but you'll need to add/edit your students each year.
4. Log on to <https://hosted308.renlearn.com/1342993/>. You can bookmark the page for future use, but you can also find this link in the Staff Portal under Online Resources.
5. To edit your Class go to Courses/Classes from the main page.

- You'll see a list of your students if you have any yet. To add a student, scroll to the bottom of your roster and choose "Add/Remove Students."

Testing Students

- Have your students logon to <https://hosted308.renlearn.com/1342993/>. This is the same page you begin from.
- Have students enter their username and password. It should be the same as their JCS account. If you aren't sure or if the student gets an error, you can check their username and password in the Staff Portal under your Student Roster under “Details.” If the password doesn't work, click the “Sync” button on your roster and wait 15 before having the student log in again.

STAR
Math

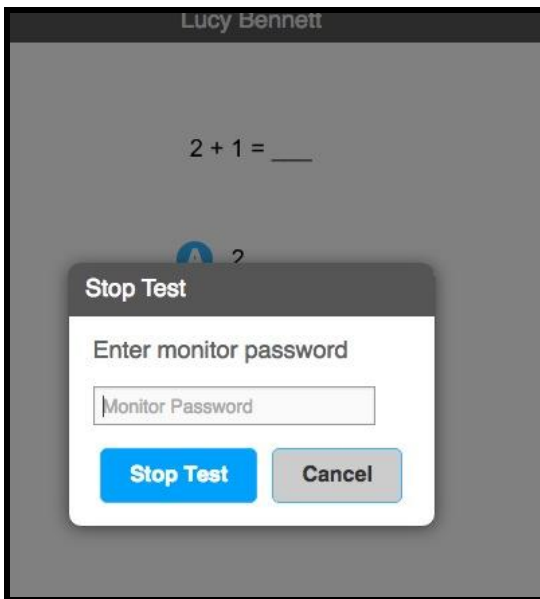

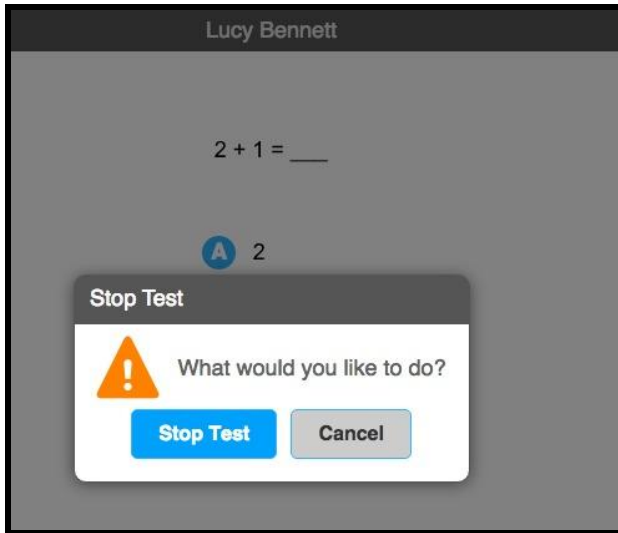

4. Once they choose the test, they'll be prompted to enter the Monitor Password which is **jcs527**.

5. Once in the test, they will be timed so please remind them of this. If the student needs to stop the test for a bathroom break or to save and come back to later, choose Stop Test.

- The student/teacher will be asked to verify that they want the test stopped and will be prompted to enter the Monitor Password again.

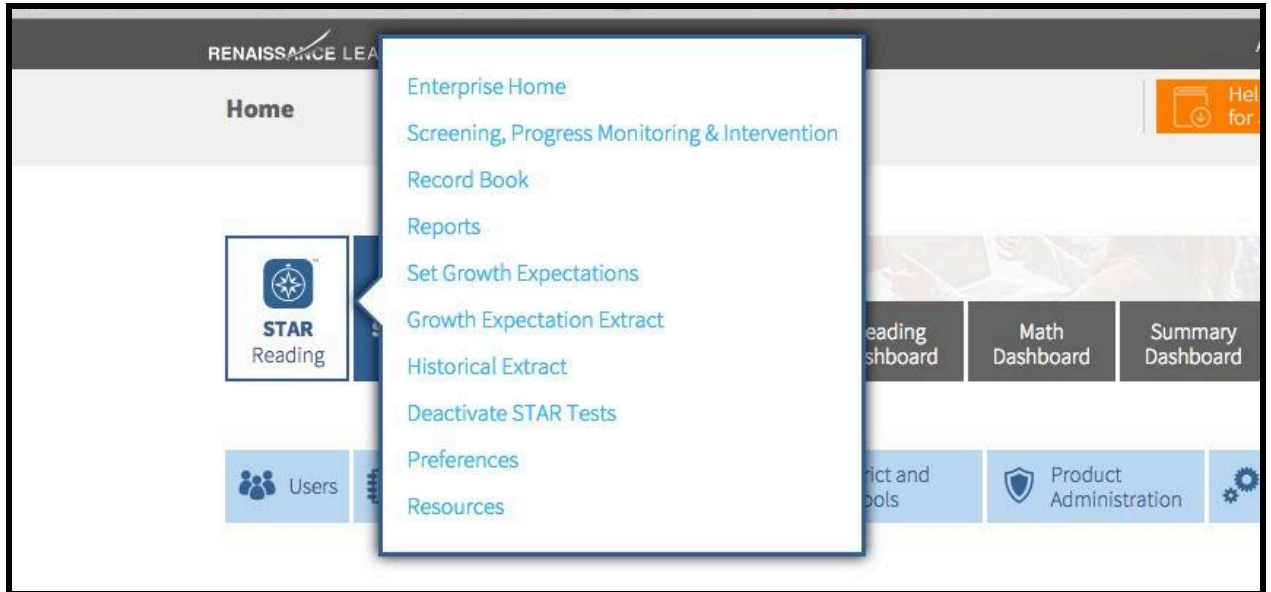

- To log back in to unfinished test or to start a new test, repeat the process.

Reports

There are a variety of reports you can select to get information about your students. The list is extensive and you'll find descriptions for all of them. For some reports you can select your whole class or just individual students. Some reports span multiple school years if you edit the time frame you want to look at, and if you know the student has tested with JCS in the past.

1. To run a report find the subject area you want from the main screen (Star Reading, Early Literacy or Math) and choose Reports.

2. Select the report you want from the list and customize it to your preferences.

Select Report
Click on a report name to view the report with default settings

School: **Julian Charter School**

Frequently Used Reports

Reports	Description
Diagnostic	Presents diagnostic and skill information for an individual student.
Growth	Shows growth for a group of students over time, with emphasis on SGP—Student Growth Percentile.
Instructional Planning - Class	Provides list of recommended skills for class or group instruction based on most recent assessment.
Instructional Planning - Student	Provides list of recommended skills for individualized instruction based on most recent assessment.
Screening	Graphs students' placement above/below benchmarks based on STAR scores.
Student Progress Monitoring	Graphs an individual student's progress toward goal.
Summary	Summarizes student test results for a specific date range.

Additional Reports

Reports	Description
Annual Progress	Graphs student progress over a school year.
Growth Proficiency Chart	Plots Student Growth Percentiles SGP and proficiency on a quadrant graph; companion to the Growth Report.
Longitudinal	Shows growth over multiple years.
Parent - English	Presents informational letter, in English, for parents and guardians.
Parent - Spanish	Presents informational letter, in Spanish, for parents and guardians.
Reading Range	Provides reading range information for each student.
State Performance - Class	Graphs the percent of students on the pathway to proficiency on the CST Test. Previously known as the Group Performance Report.
State Performance - Student	Graphs a student's pathway to proficiency on the CST Test. Previously known as the Student Performance Report.
State Standards - Class	Groups students by estimated mastery of State Standards or Common Core State Standards based on STAR Enterprise scaled score.
State Standards - District	Estimates mastery of State Standards or Common Core State Standards for groups of students based on STAR Enterprise scaled score.
State Standards - Student	Estimates a student's mastery of State Standards or Common Core State Standards based on STAR Enterprise scaled score.
Test Activity	Shows students who have and have not tested during a specific date range.
Test Record	Shows individual results for tests taken within a specific date range.
