Acceleration and Retention Policy

Effective Date: June 5, 2020

Approved by: Board of Directors

Policy:

Accelerating a student to a higher grade or holding a student back a grade is a rare occurrence. We do not encourage grade accelerations and retentions but understand that they may be appropriate for some students, while a student is enrolled with JCS. The following requirements must be met in order to make a request for acceleration, or retention may be requested one time.
