Work Sample Attachments

Please attach to this report evidence of the skills and achievements learned or accomplished in this course. For academic classes, this should be work samples equivalent to one work sample per credit, showing progression of skills development. If a final exam was taken, a copy of that exam may be attached. For work taken at the community college, a copy of the transcript from the college is sufficient. If the work is not academic in nature, please attach evidence of the quality and depth of the work and the level of achievement.
